

JOB OPENING

NAME: **SENIOR FULL STACK JAVA
WEB DEVELOPER**

LOCATION: **YEREVAN, ARMENIA**

ABOUT POLIXIS

This is a great time to join our company! Headquartered in Geneva, Switzerland, Polixis is a leading Swiss firm specialised in RegTech Solutions for banking & financial sector offering unparalleled deep data and automation solutions. We are already the leading player in High End segment of Compliance SaaS & DaaS within Wealth Management community with 300% year on year SaaS growth.

THE JOB

This is strategically important position within our engineering team. We are looking for Senior Full Stack Java Web Developer to join our Yerevan team. You will be expected to directly work with our CTO in Geneva being involved in new features designs & execution with 360-degree view on products and operations. The prospective candidate will also be expected to be involved in business continuity exercise for existing applications. The job may also require occasional travel to Geneva headquarters.

The job responsibilities include:

- Participate in all phases of software development life-cycle;
- Produce and maintain clean, high-quality code;
- Work as a part of a dynamic team throughout the software development life-cycle;
- Deliver results within an Agile methodology;
- Perform code reviews and implement software development best practices.

YOUR PROFILE

Ideal candidate shall have:

- 7+ years of hands-on experience with monolith Java Web Applications;
- Good knowledge and experience with various data structures, recursions and concurrency;
- Working experience with Servlet, JSP, JavaBeans;
- Good knowledge of Javascript, JQuery, CSS, Bootstrap, (React knowledge is a plus);
- Good knowledge of MongoDB, Elastic;
- Good knowledge of English.

BENEFITS

- Possibility to join one of the best and fastest growing European RegTech player with growing operations in Armenia;
- Full health care coverage; Competitive salary;
- Creative and cozy office at the center of Yerevan;
- Flexible vacation and day-off policy.

HOW TO APPLY

Interested candidates should send their CVs to jobs2@polixis.com with a subject line "Senior Full Stack Java Web Developer". Please, kindly note that only shortlisted applicants will be contacted. Please, indicate your expected salary range in your e-mail.
